

January 1, 2010

Dearest Friends and Fellow Survivors,

Please join us on **Wednesday, February 10th at 6PM** for the *Heart of Relay* dinner and celebration! As a Cancer Survivor, YOU are the reason why the Relay For Life happens. Every day should be a celebration and we wish to continue our tradition of celebrating survivors at Valentines Day! Come and enjoy a lite meal, good company and learn more about what RELAY FOR LIFE is all about...

If you don't know, the American Cancer Society's Relay For Life is a 24 hour, non-competitive team event that raises money for cancer research and many important services for Cancer Survivors. The Relay For Life of Lancaster is June 18-19, 2010, at Conestoga Valley High School. Our Survivor Victory Lap will take place at 6pm, after which we will have a dessert reception to celebrate YOU. Please come and join hundreds of other Survivors for the Survivors' Lap at the 2010 Relay. Come and show your family and friends that CANCER CAN BE BEAT and that as Cancer Survivors you are a major force that can raise money to help others fight this disease!!! If you haven't already registered as a survivor for the 2010 Relay For Life of Lancaster, we will have registration forms available at the Heart of Relay dinner. You can also go to www.relayforlife.org/palancaster to register as a survivor.

We hope you will join us for the Heart of Relay Valentine's Day dinner on February 10. The dinner will take place at Church of the Apostles in the Fellowship Hall which is located at 1850 Marietta Avenue in Lancaster. Please fill out the RSVP sheet enclosed and return it to the American Cancer Society, 314 Good Drive, Lancaster, PA 17603 by February 3, 2010. If you have any questions about the Heart of Relay dinner or the Relay For Life of Lancaster, please contact Dianna Haydt at 397-3745 or dianna.haydt@cancer.org.

Have a happy, healthy, and safe New Year!
